**SUBJECT : SURVEY ON TELEKOM MALAYSIA CAPITAL CONTRIBUTION CHARGES**

---

Dear Fellow Members,

Kindly be informed that REHDA Selangor is currently compiling information from members who were imposed with capital contribution charges by Telekom Malaysia (TM) to secure provision of telecommunication services by TM.

It has come our attention recently that TM **does not** impose any capital contribution charges for providing infrastructure at new projects and TM **does not** require projects to achieve minimum of 50% subscribers to offer its services. REHDA Selangor would like to gather information and details of projects that have been imposed by such charges/condition and will share the information with TM for their further assistance on this matter.

Attached herewith please find the survey form for your necessary action. Kindly complete the survey form and return it to REHDA Selangor via **fax: 03-7880 4685** or email to **selangor@rehda.com** by 10 December 2020.

Thank you for taking the time to provide us with your feedback. For further inquiries kindly contact Ms.Khamini Loganathan at 03-78064853/ 4860.

Thank you.

Yours sincerely,
